A Word From Our President:

Emerald Coast ASTD Members-

This highly interactive ses-  
sion will engage partici-  
pants in exploring how to  
harness the power of fun  
in order that their com-  
pany can better retain em-  
ployees and customers,  
motivate teams, improve  
productivity, increase inno-  
vation, and create a sense  
of community. Participants will gain real-life  
tools that will help their company become a  
place where people love to work. **Leslie
