Joan Cozart has been certified as a Lean Six Sigma Black Belt and Kaizen Facilitator by the prestigious George Group, and is recognized as an industry leader in Corporate Strategy Services, Leadership Development and Process Management. Recently, Joan was a pioneer and leader in Intrawest's ground-breaking Operational Excellence project and change management initiatives. Her expertise extends from customer service in retail, increasing sales in food and beverage and reducing expenses in hospitality operations.

Joe Cozart is certified in Total Quality Management (TQM) by the 3M Company, and is recognized as an industry leader in Corporate Strategy Services and Organizational Sales Leadership. Joe has focused on institutional strategic alignment and business value creation to business associations, capital and financial markets, education, government sectors, and Fortune 100 companies throughout the United States, Canada and Europe.
