**Discovering Opportunities for Excellence-
Through a Process-Oriented Business**

- * The art and science of excellence
- * Analyzing both procedures and results to create better business processes

This workshop is for those who want to improve a company or department's workflow, productivity, and end results.

Join us as Joan Cozart leads us through Lean Six Sigma (LSS) and the Kaizen methods. She will also help us discover how these processes can be applied in daily our work situations.

All of these tools will be discussed within the framework of High Performance Teams and Organizational Culture.

Facilitator- **Joan R. Cozart, M.Ed.,Ed.S.**
Certified Lean Six Sigma Black Belt & Kaizen Facilitator; Principal, OpX Group, Inc.

Joan's OpX Group provides consulting and training services to organizations interested in propelling their business to new heights of excellence.
